Sparkling Wine

The Nyetimber estate counts three major landmarks in its history. Its earliest beginnings saw it first recorded in the Domesday Book in 1086. Then there was the planting of the first vines, almost exactly 900 years later. Most recently, there was the decision in 2006 that Nyetimber wines deserved an audience on the world stage. Nyetimber is in the fortunate position to own one hundred percent of its vineyards and all of their wines are produced from the 152 hectares they have planted at the best sites in West Sussex and Hampshire.

Prosecco has become so popular but a great deal is rather thin, mean and acidic. Here we have three generations working in the same winery with 85 year old Matriache, Olimpia, at its head. Lots of ripe apple and pear fruit with a zesty, uplifted finish, characterful, joyful Prosecco. They also make the Rosato Pinot – again, a lot of 'pink Prosecco' is simply coloured with Merlot or Raboso but here is a 'proper' wine, carefully blended from three Pinots – Grigio, Bianco and Nero – grown in their own vineyards. Delicate, salmon pink with bright red fruit character.

ROSE WINES

Many styles here, the Garnacha from South France, soft salmon pink in colour with light, bright & gentle spiced fruit, some delicate earth spice flavours with top notes of red fruits. The Syrah is more vibrant, more vivid with a little pepper character. The Mon Rose is harvested at night to preserve freshness & gently pressed to extract the finest flavours, this is certainly something different & great to match delicate dishes. The Sancerre Rose brings a minerality expected of Sancerre with a hint of fresh summer fruits, truly refreshing and elegant.
